Dear Team Managers:

The softball season is rapidly approaching. We want to take this time to thank you for your effort and endless time you spent coaching/managing your Senior Softball team last year. We know at times coaching these guys can be very frustrating. But as we know, it can be fun and very rewarding. We also want to thank you for playing senior softball in the **Heart of America Senior Softball** league. We want and appreciate your teams. We value your effort. Thank you!

### **MANAGER'S MEETING**

**Saturday, March 3<sup>rd</sup>, 2018 at 10:30 a.m. for Monday and Tuesday leagues and at 1:00 p.m. for Wednesday League. The meeting will be at Jerry Hinton's home, 8812 E 61<sup>st</sup> Street, Raytown, MO.** We will also discuss the rules for the 2018 season. As Manager, you are member of the Rules Committee –if you want your opinion heard, you need to be there. Team league fees, rosters, and registration must be received by **April 9th**. If team fees are not paid by April 9th, then your team will not be on the league game schedule. Mail to:

**Heart of America Senior Softball  
8812 East 61 Street  
Raytown, MO 64133-3714**

Teams will be playing with the following schedule. The fees include 44 core 375 compression rating optic yellow balls (furnished by Raytown Parks & Recreation). Schedules will be posted on our website. League members are required to complete and sign a **2018 League Membership Form** and pay the **\$20 annual membership fee** before playing their first game. The form can be found on our website ([www.hasskc.com](http://www.hasskc.com)). New players must also provide **age verification**. It is the responsibility of the team manager as well as the team member to make sure that each team member is properly enrolled. Any manager allowing a player to participate without paying the membership fee will result in an automatic game forfeit. That player's membership fee would then be \$25. The manager would be subject to a \$50 fine per player and/or a league suspension. ***No exceptions to this rule!***

A \$50 fee will also be charged when a team requires a schedule change after the schedules are printed. For example, pay your league fees by the deadline. Inform the league of tournament games to be played during that session when your team players will be out of town for a league game night.
